Foster Family Agency

# 2015 Annual Report

## Our Mission

Kamali'i Foster Family Agency's mission is to provide foster youth and young adults with quality trained foster families while providing individualized treatment services. Goals of reunification and permanency are supported while empowering youth to be positive participants in their community.

## Our Vision

Kamali'i Foster Family Agency envisions a future where... Families are supported in keeping children safe and healthy while empowering youth for future success.

## Kamali'i Foster Family Agency, Inc.

Established in 1998, Kamali'i Foster Family Agency has provided excellent treatment-level foster care services to children and families in the San Diego, Riverside and San Bernardino Counties. In 2015, Kamali'i FFA served 226 children and youth in foster placement while achieving high successful permanency outcomes.

Kamali'i FFA looks to provide for the needs in the communities it serves by providing quality trained families who nurture, support and guide children who are placed in foster care due to suffering from various forms of abuse and/or neglect. One of the common phrases heard at Kamali'i FFA is "from initial placement to reunification". Through the services that we provide children are able to be placed in a loving home that encourages them to grow into positive participants in their communities, empowered with the skills to not just survive but to reach their individual goals.

With the support of our key champions, Kamali'i FFA has been able to provide support programs and services to our youth and families such as our Independent Living Skills Program, Drug and Alcohol Awareness Program and Kamali'i Kids Club.

With a staff of 13 full-time professionals, Kamali'i FFA continues to strive for excellence moving forward as we strive towards accreditation and additional service programs in 2016 and 2017.
